TRAVELLING BY CAR/BOAT

Hellenic Aeronautical and Airports Federation has an agreement with ANEK Lines (www.anek.gr). This is valid from Piraeus (Athens Port) to Crete. The same company is running daily sails from Italy to Greece. Since some teams already expressed their intention to travel by car and boat you will find attached a travelling form in which you will have to fill the required data so that we will be able to forward this form to the shipping company and then send you a quotation. The current agreement with ANEK Lines is 50% discount for passengers and cars for the Piraeus to Heraklion line. ANEK Lines operates from Venice or Ancona (Italy) with destination to Igoumenitsa or Patra (Greece). Normally the daily schedule of sails from Italy to Greece for 2019 will be published by December. This is happening not only for ANEK Lines but for all companies operating from Italy to Greece. It is likely that the schedules as of December will be the same till next June. The current sails can be found at <https://www.anek.gr/en/routes/>.

Hopefully as long as we are going to receive the specific form filled we will be able to inform you earlier than that.

RENTING A CAR

A variety of international and national renting-car companies can be found in Crete. It is highly recommended to use internet search to find the best offer that will suit your team requirements.
